- Desired veterinarian: _____
- The choice is left to Mrs Simon

General information

a) The dog owner assures that his dog has been kindly vaccinated and is free of contagious diseases and parasites. A worming treatment must not be more than 3 months old.

b) The dog to be looked after must have a dog liability insurance. The dog owner is liable for all damages caused by his dog.

c) Mrs. Simon accepts no liability whatsoever for personal injury, property damage or financial loss, as well as for injuries, health consequences or late effects caused by the dog to be cared for.

d) The dog owner commits himself to inform Mrs. Simon before taking the dog into the boarding house, to inform you explicitly about physical and / or psychological disorders as well as suspected diseases of the dog.

Further information:

The vaccination certificate and the deworming confirmation of the veterinarian, as well as the insurance policy (copy) must always be presented. **No care/admission is possible without presentation of these documents.**
